Dear Dr. Reeve:

Many thanks for your generous subscription of twenty-five dollars towards the University contribution for the Red Cross Fund. It is most generous.

With kind regards, I am,

Dear Dr. Reeve:

At the last meeting of the Senate Dr. Ellis, Dr. Clarke and myself were appointed a committee to draw up a resolution concerning the services of the late Dr. Millmott to the University. I have spoken to Dr. Ellis about the matter, and we think that there is no one who could do it better than you, as you knew Dr. Millmott so well. If you will draw up such a resolution I feel sure that our committee would be glad to adopt it and transmit to to the Senate. Is this asking too much of you ?

With kind regards, I am,

Yours sincerely,

President.

My dear Dr. Reeve:

Very many thanks for the care that you have taken in drawing up the resolution regarding the late Dean Willmott. I have showed it to Dr. Clarke and I will refer it to Dean Ellis who I am sure will concur, and I will have much pleasure in presenting it to the Senate as our report on Friday night, when I will mention the service you have rendered us in connection with it.

Yours sincerely,

President.
